In general, we've found that using Google's Chrome instead of Microsoft's Internet Explorer or Edge for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for Certified Technicians, Instructors, course administrators and people who are interested in becoming a CPS-certified. Here are some of the things you can do in the Certification Management system:

- Make a CPS online profile (if you've never been CPS-certified)
- Register for a course (Certification or Renewal)
- Recertify: Enter your seat checks, CEUs, etc.
- Edit your online profile (e.g. update contact information, add org. affiliation)
- Apply to be an instructor or tech proxy
