How to Make an Online Profile

Nov 2019
Log in at http://cert.safekids.org

Click on LOG IN
Click on CPS Tech/Tech To Be

In general, we've found that using Google's Chrome instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for Certified Technicians, Instructors, course administrators and people who are interested in becoming a CPS-certified. Here are some of the things you can do in the Certification Management system:

• Make a CPS online profile (if you've never been CPS-certified)
• Register for a course (Certification or Renewal)

Enter your attributes and SAVE.

Agreement to Post Name and Contact Information for Public Viewing:

Safe Kids maintains a list of currently certified CPS technicians and instructors available for public viewing. Please indicate whether you agree to allow your information to be made available to the general public.

By agreeing, the only information that will be available is that which is listed in your profile under "Posted Address". If you chose not to allow your information to be posted, it may still be accessed by you, Safe Kids, NHTSA representatives, and other authorized administrators. View our privacy policy for more information.

If the box is checked, you will appear on public FIND A TECH search.
