How to Recertify Entering Community Education
How do I enter the requirements?
In general, we've found that using Google's Chrome instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for Certified Technicians, Instructors, course administrators and people who are interested in becoming a CPS-certified. Here are some of the things you can do in the Certification Management system:

- Make a CPS online profile (if you've never been CPS-certified)
- Register for a course (Certification or Renewal)

New Signup
Please click here if you have never made an online profile with Safe Kids before.

First Time Here?
Please use your SK ID as username and your Last Name as password. If you do not know your SK ID, please contact customer service for assistance.

If you have already been assigned a username and password with the old system, please use them instead.

Forgot Your Password?
Please click here to have your password emailed to you.
